**What inspired
Frederick
Carder?**

Inspiration!

Frederick Carder was a glass designer.
His work was inspired by things he saw around
him, like the heart-shaped leaves below.

Frederick Carder

Vine with heart-shaped leaves

Carder's vase with vines
and heart-shaped leaves

Now it's your turn...

Look through the Carder Gallery to **find pieces of glass that may have been inspired by what you see in these pictures.**
Talk about the glass you find with your family and friends. There are many correct answers.
