INTERNATIONAL GUESTS ARE OUR SPECIALTY

Corning, NY, has played a very important role in the development of the American glass industry. From beautiful crystal to today's fiber optics, some of the world's best glass innovations come from Corning. That's why The Corning Museum of Glass is a must-see stop for your client. Add in live glassmaking demonstrations that take place throughout the day, and your customers will have a wonderful experience.

YOUR CUSTOMERS WILL SEE THE ART, SCIENCE, AND HISTORY OF GLASS. ALL UNDER ONE ROOF.

THE MUSEUM LOVES INTERNATIONAL VISITORS

WHAT INTERNATIONAL OPERATORS ARE SAYING

“New World Travel has been working for many years with CMoG and has included the admission ticket in their FIT programs. In addition we have included CMoG in all fly & drive programs passing through upstate New York and the Finger Lakes Region. We view CMoG as an attraction not to be missed if you are in the region.”

Walter Gallo, Product Manager
New World Travel

“Corning Museum of Glass has not only been a fantastic place to visit for our tens of thousands of customers annually, but also a ‘home’ in upstate New York for all travel professionals. Besides all the valuable items on display in the world class museum and the exciting hot glass show, its hospitality level goes above and beyond one’s expectations every day. Further more, it is China Ready, India Ready, and World Ready!”

Rich Sun, President and CEO
Jupiter Legend Corporation
