# My Favorite glass animal

Draw a picture of your favorite animal-shaped object here.

example

A large empty rectangular box with a green border, intended for drawing an animal-shaped glass object.

1. What animal is it **shaped** like? \_\_\_\_\_
2. What **color** is the glass? \_\_\_\_\_
3. How **big** is it? \_\_\_\_\_
4. How do you think this glass was **used**? \_\_\_\_\_  
\_\_\_\_\_

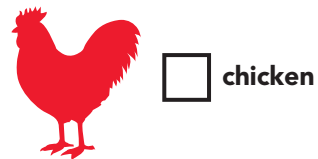

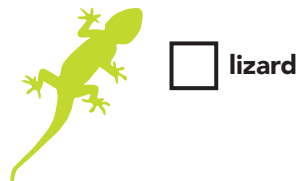

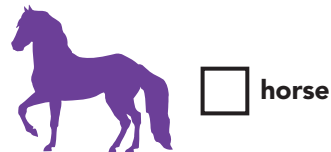

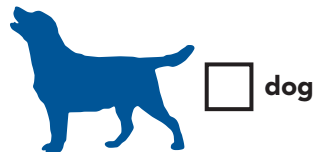

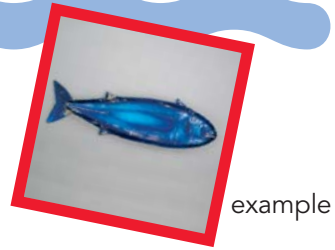

# Animals in art

Animals have always been an important part of art. Even before humans painted pictures of people, they decorated cave walls with deer, horses, and buffalo.

## Glass Shaped like animals

1 Did you know glass can be shaped like animals? As you walk through the galleries, **check off the animal shapes you find**. Look closely, you may see some of these animals more than once!

# Detective's Challenge

2

Find "The Rise of Venetian Glassmaking" main case.

Go behind the main case to the back of the gallery. Find the dark case on the left and **push the red button**. When the light comes on, **what do you see? How many animals can you find?**

## Animal Pictures on glass

3

When you see the wall with the big Tiffany stained glass window, you are entering the "Modern Glass" gallery. Can you **find these animals** on the glass in this gallery?

More fun on the back
